6/06/10	1640	TFD – responds to overturned sailboat – poor conditions – Pulled 1 person from the water and left sailboat as they could not turn it over due to conditions – TFD could not enter Tiverton Basin it was too rough for operators skills – boat Brought to Evelyn's for calm conditions – HM retrieved boat and brought to Standish dock. TFD no log entries	1194hrs
6/06/10	2001	Search for sailboat left by TFD – was not found	1195hrs

Fifty six telephone calls since 4/1/10. The paid moorings in town are at 94.54% with 33 payments (\$2640) outstanding. Notices for late payment will be sent next week. There is a Mooring Vendors List which is vendors approved for installation and inspection of moorings and has an insurance binder on file at the harbormaster's office. The Tiverton basin is a busy place and will get busier in the future with construction projects underway. Keep checking out the Tiverton

Harbormaster web site for more information and updates at:
